

# The Swiffer Cosy

## The Pattern:

Using a 5mm or 5.5mm hook and some chunky scraps of yarn.....

**Main Part:** (crotchet basket weave)

Foundation chain: Chain 42

1st row: UK Treble crotchet into 3rd chain from hook and treble to end.

US Double Crotchet into 3rd chain from hook and double crotchet to end.

2nd row: UK - Chain 3 Treble crochet around the front post of next 2 trebles (creating a raised stitch) \*treble crochet round the back post of next 3 trebles, treble crochet round the front post of next three trebles repeat from \* to end

US - Chain 3 Double crochet around the front post of next 2 double crochets (creating a raised stitch) \*double crochet round the back post of next 3 doubles (creating a relief stitch), double crochet round the front post of next three doubles repeat from \* to end

3rd row: Repeat the second row in opposition to the stitches above so if your stitches are relieved treble/double crochet round the front post and if the stitches are raised treble/double crochet round the back post.

Repeat rows 2 and 3 twice more, bind off.

### **Edging:**

Attach alternate colour yarn to the long side of your swiffer cosy and UK double crochet in every treble US single crochet in every double. UK double crochet for 4 more rows. US single crochet for 4 more rows. Bind off.

Repeat this for the other long side.

### **Ties:**

Attach the Yarn 10 stitches in on the long side and chain 30, bind off. This creates the ties for attaching the cosy to the swiffer. Repeat this for all four corners.

Weave in ends and away you go an environmentally friendly washable swiffer cosy, that stash busts the odds and ends and means no more silly duster things zooming off to landfills everywhere!!
